**RE: Demand Side Management/Energy Efficiency ("DSM/EE") Quarterly Report
Docket No. 2011-181-E**

Dear Ms. Boyd:

On April 24, 2018, Duke Energy Progress, LLC (the "Company") filed its quarterly report pertaining to Rider DSM/EE-9 and its EM&V schedule for Demand Side Management/Energy Efficiency ("DSM/EE") programs ("Filing"). The Company recently discovered that the Filing was made in the incorrect docket (Docket No. 2011-158-E rather than Docket No. 2011-181-E) and that the transmittal letter and Attachment 1 to the filing referred to the incorrect rider (Rider DSM/EE-8 rather than Rider DSM/EE-9). These errors are being corrected with this filing, and are the only changes from the previously filed version. The Company respectfully requests that the filing made on April 24, 2018 in Docket No. 2011-158-E be administratively withdrawn.

As mentioned above, in the instant filing, DEP submits its quarterly report pertaining to Rider DSM/EE-9 and its EM&V schedule for DSM/EE programs (pursuant to the Commission's Order issued September 2, 2011 in Docket No. 2011-181-E). The schedules accompanying this submission, for the quarter ending March 31, 2018, are as follows:

- Attachment 1 – Amounts billed under Rider DSM/EE-9 during the reporting period accompanied by estimates of gross receipts taxes and South Carolina Regulatory Fees;
- Attachment 2 – DSM/EE program energy and capacity savings achieved through the end of the reporting period;
- Attachment 3 – DEP's anticipated DSM/EE program EM&V schedule; and
- Attachment 4 – DEP's System O&M and A&G expenses and amounts allocated to South Carolina.

DEP will continue to submit this report to both the Commission and the Office of Regulatory Staff on a quarterly basis until further order of the Commission.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Rebecca Dulin". The signature is fluid and cursive, with the first name "Rebecca" and last name "Dulin" clearly distinguishable.

Rebecca J. Dulin
